2 The Qin Dynasty (221–207 BC)

Emperor Qin unified state walls to secure China's northern border.

The Han Great Wall was extended to protect Silk Road trade.

4 The Ming Dynasty (1368–1644)

The Ming Dynasty (1368–1644)

Most of today's Great Wall was built or restored in the Ming Dynasty.

5 The Qing Dynasty (1644–1911)

The emperors of the Qing Dynasty didn't build the Great Wall and even forbade it.

6 Modern Times

Great Wall reconstruction and protection began with Badaling in 1957.
